Why direct deposit?

Direct deposit is how we pay owners. It takes one form, and once it is set up there is nothing more to do: each payment goes straight to your account.

Paid on the payment date

Your proceeds are in your account on the day we pay — no waiting for the mail and no trip to the bank to deposit a check.

Nothing to lose or steal

There is no paper check to be delayed, lost in the mail or taken from a mailbox, and no check to replace if one goes missing.

Deposited whatever the amount

Every payment is deposited, however small. Paper checks are mailed only once $100 is owed; smaller amounts wait until they reach it, or for up to twelve months.

Any US bank

Deposits go to a checking or savings account at any US bank, credit union or savings institution.

Statements by email

A statement showing how each payment was calculated is emailed to you with each deposit.

How to enroll

1. Complete and sign page 1. Use the owner name exactly as it appears on your Division Order.
2. Enclose a voided check or a letter from your bank showing the owner name, the routing number and the account number.
3. To change or cancel an account already on file, have your signature acknowledged by a notary in section 5.
4. Mail the form to the address on page 1. For your security, please do not email bank details.
